

Monmouth Medical Center
Foundation

October 2009

Dear Friend:

We are contacting you regarding our latest endeavor in memory of our brother Jimmy Walters.

Red Oak Farm would like to invite you to the **Kickin' Childhood Cancer Charity Horse Show, to benefit the Valerie Center at The Children's Hospital at Monmouth Medical Center, the Valerie Center treats children with cancer and blood disorders.** Your support is much appreciated and will make a huge impact in the life of child..

The Show will be held on Sunday November 1, 2009 at Red Oak Farm, 577 Pleasant Plains Road, Stirling, NJ. The Horse Show will feature equestrian competition, silent auction, pony rides, petting zoo, crafts and toy drive.

It is our hope you will consider joining us in our fundraising efforts to make a difference in the lives of children battling life threatening illnesses by donating a gift for our silent auction, Class Sponsorship or supporting this great event in some way.

Monmouth Medical Center has received state designation as a Children's Hospital for Monmouth and Ocean counties, a recognition that signals to the community that pediatrics is a major part of the hospital mission. Monmouth's Level III Neonatal Intensive Care Unit (NICU) was the first NICU in New Jersey and first community hospital NICU in the country. The Pediatric Emergency Department is the first and the only one in the region to have pediatricians board certified in emergency medicine. Monmouth also has one of only two comprehensive National Cystic Fibrosis Foundation accredited centers in New Jersey. The Children's Hospital is home to one of the state's six Valerie Fund Centers for Children with Cancer and Blood Disorders, one of the largest and most advanced pediatric hematology/oncology networks in the country.

We hope you can help us support the important work of The Valerie Center. Your most generous contribution will be greatly appreciated. If you require additional information about volunteering, sponsorships or attending The Horse Show, please contact **Bethie at (908)507-0653, or fax form to (908) 647-3393.** If you need more information regarding The Valerie Center at The Children's Hospital at Monmouth Medical Center, please call Susan Dulczak, Clinical Director at (732) 923-7706.

Very truly yours,

Sandra W. Siliato, Co-Chair
Kickin' Childhood Cancer
Charity Horse Show
